Hi and welcome to our Summer PTA newsletter.

On behalf of the PTA I want to give a big shout and a huge thank you to everyone who attended and supported the Circus summer event! This event would not have been possible without an enormous amount of planning and support, so a massive thank you to the amazing volunteers who worked so hard in the months leading up to the night. I think its safe to say that all the hard work paid off! It was great to see so many smiling children (& grown ups!) which made it all worthwhile. Despite costs of over £3000 we still managed a profit of £1125 and are proud to have hosted an event for our community.

We hope the children enjoyed the recent return of the Break the Rules Day which raised a massive £508, this has been kindly doubled by Barclays Bank to £1016 through a PTA member using their employers Matched fundraising scheme. If you have any similar schemes at your workplace and would be happy to support an event please let us know!

It has been a great year for the PTA: we have welcomed new members to the team and have organised what we believe was a good variety of fun and family orientated events aimed at all the age groups within the school and of course (most importantly!) raised an eye watering £7323! All money raised is used to fund equipment and events to support the education and learning of our children.

As always there are many ways you can support your child's education through the PTA. If you are interested in helping us or have any fundraising ideas please drop us an email or stop one of us at school and share your thoughts!

We hope you all have a wonderful summer break and we look forward to continuing our great work in the 2017/18 school year.
