

Madley Brook School
Nursery Offer

For the 2017/18 Academic Year:

The Published Admission Number for the Nursery is 48 part time equivalent (pte) places

The age range of the nursery is 3 to 4 year olds. Children may start in the term following their 3rd birthday. Entry points for eligible children are September, January and after the Easter holiday.

Extended (30 hour) funded places will be offered. Parents may also opt for 15 hours choosing either 5 mornings or 5 afternoons. We are not able to provide places for hours between 15 and 30.

There is no limit to the number of 30 hours places. Places will be offered according to Nursery Admissions Policy on a termly basis.

Children opting for 30 hours will be able to stay for the lunch period between 11.30am and 12.00pm on the basis that this is charged at £2 a day and children bring their own packed lunch. Parents who do not want their children to stay for the lunch period can pick them up at 11.30am and drop them back at 12.00pm.

The school offers additional funded childcare provision through Breakfast Club from 7.45 am. There is no provision at this time for after school care.
